Carnival capers despite the weather

IT was a case of last but not least, as Potters Gate School brought up the rear in the Farnham Carnival parade on Saturday.

Safari earned the Best in Show trophy for one of the most eye-catching entries witnessed in recent years.

A large number of pupils, parents and staff depicted the Potters Gate Sea-fari, with sea creatures carried high

on poles and a bubble machine adding to the fun.

For a carnival report and photo spread, see pages and 15.
