Lions are children at heart

TWENTY years ago Farnham Lions provided Tilford Parish Council with a see-saw at its childrens' play area.

After generations of children having enjoyed this facility, it was in need of replacement.

Tilford Parish Council thought a better replacement would be a log walk; a series of vertical logs, set in the ground at varying heights close enough so that even small children can safely walk over a meandering

elevated path.

Farnham Lions again stepped up to fund the log walk and helped Tilford Parish Council to donate play equipment that will hopefully last another 20 years.
