

Farnham Lions Golf Day triumph

Our huge thanks go to Farnham Lions, for one of the best Golf Days we at the Fountain Centre have ever been part of.

Each year, the Lions organise a Golf Day at Hindhead Golf Club in support of one of the Captain's Charities. And as they like to support local causes, this year they decided to support Lady Captain, Gerry Marvell, who selected us for her Charity of the Year. We have thoroughly enjoyed working with them, and can only be amazed at the amount of care the put into the planning of the event.

The course looked magnificent – they say the heather is better and brighter than it has been for years (though the players who managed to bury their shots in it probably didn't share the appreciation). And the staff at the Club and Lions members could not have been more hospitable. It was an extremely enjoyable and successful day!
