

## Great weekend town has enjoyed

Sir, – What a fantastic weekend we have just had – Farnham was out in force for the Carnival on Saturday and the Picnic in the Park on Sunday. Even the weather was on our side. As Mayor it was wonderful to see so many people coming together and enjoying themselves, because enjoy themselves they certainly did.

If you didn't get there you missed something quite wonderful – my thanks must go to all the people who took part in the carnival procession – the mums and dads, teachers and children who made the floats which gave such pleasure to all of us. I can honestly say as a judge it was very difficult to decide the winner.

However the most thanks must of course go to those service organisations who put the event together – and especially the Farnham Lions and the Hedgehogs – on behalf of Farnham my thanks to you all.

Sunday was the town council event and my thanks must also go to my colleagues on the town council and its hard-working staff. The council has many more events lined up during the year, simply look at the web site.

I'm already looking forward to next year.

## Great turnout for Waterloo carnival

Sir, – Thanks Farnham for a great carnival I would like to thank everyone who turned out on Saturday to participate in the procession for Farnham Carnival, and also in the Gostrey Meadow Fayre. It was a great turnout, and more than £1,900 was raised in the collection. This will now be distributed back to all the schools and charities who took part in the procession.

We are now beginning to think about next year, and we already have a theme – Disney, Superheroes and Fairy Tales, so those of you who are planning floats should have plenty of scope!

Once again, thank you to everyone who took part, and all the spectators who came to Gostrey Meadow Fayre and to watch the procession.

**Phil Alexander, carnival chairman, Sandrock Hill Rod, Farnham**
