Lions donate tables

CHILDREN at St Peter's School marked a very important date in June with a Mad Hatter's tea party to celebrate the gift of two new picnic tables by Farnham Lions.

Despite fears they would be late, the White Rabbit and Alice made it in the nick of time to thank the Lions for their generous donation - accompanied by the Mad Hatter

and the March Hare. A spokesman for St Peter's said the picnic tables will make a great addition to the school's playground for the use of all pupils.
