Dear Keith

this is a short note to thank you so very much for including challenges at such an incredible event; the event of the year!

Everyone I spoke to had such an amazing time because you had thought of everything and planned it so very very carefully.

Your team were extraordinary; they worked so hard and yet were back onsite

early the next morning waking again. I
can't express my sense of respect
and admiration I have for you all.

Your leadership in such a military
operation is legendary and I hope that
you had an opportunity to enjoy the
evening a little!

with thanks from us all
